Approval of Bills and Requisitions

A motion was made by Mrs. Murphy and seconded by Mr. Sartoris to approve the High School and LACC Finance Reports; the High School, OM, Transportation, and LACC bills; and the High School and LACC SBAA Activity Reports. Mr. Corrigan, Mr. Brown, Mrs. Chandler, Mrs. Murphy, and Mr. Sartoris voted “yea” on a roll call vote. Motion passed.

Recognition of Guests, Presentations, and Communications:

Guests - Mr. Kilgore introduced guests Nate Hayner, Stephanie Smithson, Nicole Ropp, and Luke Smucker.

Department Report, Mrs. Stephanie Smithson, PE Department Chair – Stephanie Smithson provided an update on the Physical Education Department. Topics presented included new state rules on fitness testing requiring submission of 10th grade results, the PE schedule, and designing fitness programs. All PE staff became lifeguard certified, and a tandem bike, made by Mrs. Smithson, is being used by special needs kids during gym class. A proposal was also made to include PE in GPAs, citing statistics that students who are physically active have higher academic achievement. 15 area schools including PC and U-High have included PE in the GPA. A survey taken of 26 parents asking if they support PE being part of the GPA, had 76% say “yes”. A transition schedule is proposed starting in 2018-19 school year with the incoming Freshmen class. The current grading is based on 20% dress, 30% participation & effort, 20% process, and 30% knowledge.

Board Business:

Financial Review - Mr. Kilgore gave the Financial Review, stating PTHS is in the black, but still awaiting categorical payments from the state. Special Ed, Transportation, Dr. Ed, and Food payments total about \$300,000. Without these payments, our surplus dwindles to a projected \$36,081 with 3 months remaining. The Education Fund was a little higher than projected, but meeting a balanced budget is nearly impossible without categoricals. Mrs. Graves shared that CTI received 3 months of payments for \$140,000, but are still 6 months behind.

Transportation: 3 year Bus Leases – Midwest Transit - The Transportation committee was informed through research that replacing two expiring bus leases with new 3 year leases was best for our needs and budget considering other options. Using Illinois Central Bus Company would have cost a projected \$7000 more.

Principal’s Report – Mr. Bohm reported 100% participated in the SAT test including those on IEP. This was the 1st year using the SAT exam. A follow-up will be presented to the board once results are received. He also provided an overview of the plan for Every Student Succeeds Act (ESSA), previously known as No Child Left Behind. Illinois conducted 100 listening tours and collected 3500 comments, with the focus to be on educative, equitable and non-punitive factors. The proposal includes accountability to measure school quality for PreK-8th to be 75% academic and 25% school quality/student success indicators. For high schools, the proposal is 75% academic – graduation, SAT 2018-19; and 25% student quality/success indicators – chronic absenteeism, 9th grade on track, college/career readiness, climate survey, & fine arts. The plan has not yet been approved, but is targeted to be implemented for 2018-2019 school year. Upcoming events include SIP day on April 28 where teachers will swap tests, review and critique using common criteria. April 20 is the Kiwanis supper, NHS April 26, and Baccalaureate May 7.

Mr. Schrock joined the meeting at 8:02 pm.

LACC/EFE Director’s Report – Mrs. Graves provided recommendations for summer school staff, projecting 2 civics classes, an Apex class and Special Education offering. Driver’s Ed will not be offered due to no demand. There are 12 8th grade students interested in Algebra for fall and will attend 1st hour class. Extended contracts were discussed based on last year, with further information to follow once negotiations are final. LACC has 346 applicants for enrollment from 6 schools, which is a decrease of 10 students from last year. 55-60 are Pontiac students, with participation from other schools continuing to grow. Mrs. Graves recommended 35 students attend and compete in the Annual Skills USA Competition in Springfield, IL Apr. 27-29. The competition is run by businesses, an Olympics of skills with students competing in a variety of events such as building a house. To compete, students had to pass a written exam, interview, & meet competition guidelines. 35 of 37 students who tested, made it. This experience also provides networking and potential job opportunities. A CNA job fair will be held at the Career Center with 7 businesses coming ready to hire. 40 students are enrolled in the program next year.
