Welcome back from your Spring Break... Only a few short months until your Freshman year is over. Make sure that you are taking your last weeks of the school year seriously. Make sure you are communicating with teachers about missing assignments/projects, coordinating make-up assessments and re-takes. It is important that all of you finish the semester strong and pre-prepare well for finals. With one semester of finals under your belt have discussions with peers and FLC teachers to learn how to better prepare to make your end of the year an Excellent One! Good Luck and Go Indians!

### Counselor News:

At this time students should have met with their counselors to finalize their registration for next school year. If your child has not please have them see their guidance counselor as soon as possible.
