Freshmen Learning Community Weekly:

During first two weeks, we have been spending class time helping the students' transition into high school. We have been discussing organization techniques, logging onto Moodle and retrieving files. We have also been helping students adjust to our one-to-one laptop program. The FLC teachers will continue to meet every Thursday to discuss interdisciplinary connections along with student concerns. During this time, we will also discuss students' success and celebrate the positive actions in our classrooms.

Counselor News:

At this time students should have met with their counselors to finalize their registration for next school year. If your child has not please have them see their guidance counselor as soon as possible.
