This week the FLC teachers met at the regularly scheduled time this past Thursday to continue to collaborate on ways to communicate the exciting things taking place within the Freshman Learning Community. Teachers and administration continue to focus on reducing student failures within the FLC but also pushing communication out to families regarding the recent Progress reports for the 3rd quarter. We urge all students and parents to read the communications pushed out through skyward. We will be continuing to work at pushing out information in the most effective way possible now and in the future.

Counselor News:

At this time students should have met with their counselors to finalize their registration for next school year. If your child has not please have them see their guidance counselor as soon as possible.
