### Freshmen Learning Community Weekly:

Now that you have settled in this semester and are starting to get a few grades in the grade book, don't forget about the opportunity to attend tutoring sessions before or after school on Tuesdays, Wednesdays, and Thursdays. You do not want a lot of missing assignments, low quiz scores, or bad tests to pile up. Saturday tutoring is also available throughout the year. Tutoring can also be a quiet place used to complete current homework.

### Counselor News:
