Freshmen Learning Community Weekly:

Welcome back!!!! Since we are starting a new semester your first semester grades will reset. This means if you were not satisfied with the grade you got in any of your classes you will get a fresh start. This also means that the start of the semester is the most important time. Any missing assignment or low score will have a major impact. This is a new year, set a goal for yourself as a student and work hard until you achieve that goal.
