Freshmen Learning Community Weekly:

[Click here to link directly to information about our FLC.](#)

This week the FLC teachers met at the regularly scheduled time this past Thursday to continue to collaborate on ways to help combat student failures and ensure that all student learning needs are being addressed in their core FLC classes. Recently the students have been working on presentations for the Spread the Word to End the Word Campaign, by conducting research on a specific famous person, past or present, that has had to overcome a disability: from Dyslexia to Schizophrenia. Students also choose the winning presentation by voting on their top two presentations from both Mrs. Hoss and Mr. Steins' classes.

Counselor News:

At this time students should have met with their counselors to finalize their registration for next school year. If your child has not please have them see their guidance counselor as soon as possible.
