#### Freshmen Learning Community Weekly:

It's hard to believe we are over halfway through 1st semester! At this point, things may be going smoothly for some of you, but for others you may be feeling overwhelmed or backed up on your assignments. Remember, free tutoring is available in the library before school on Tuesdays, Wednesdays, & Thursday and then after school on Mondays, Tuesdays, and Wednesdays. You're welcome to stop by and get some help or just sit in a quiet place and get some work done. We are here to help and now is the time to get caught up before we near the end of the semester when more projects and tests may be added to your workload.
