Freshmen Learning Community Weekly:

Now that we have had one full week of instruction in our classes, we encourage all students to take advantage of our free tutoring program. This is a great opportunity to go to the library and get help on any assignment; you could also go and use that as a quiet place to get your homework done after school. We understand it is often difficult for student athletes to attend tutoring after school because of practice or competitions, therefore students have two options when to attend tutoring. This year we are offering tutoring at 7 -7:45a.m. on Tuesday, Wednesday, and Thursday and 3:30-4:30p.m. on Monday, Tuesday, and Wednesday.

Counselor News:

At this time students should have met with their counselors to finalize their registration for next school year. If your child has not please have them see their guidance counselor as soon as possible.

PTHS TUTORING

NOW AVAILABLE

What is PTHS Tutoring?

Pontiac Township High School recognizes that students have different academic needs. As a result, PTHS offers tutoring in the library four days a week. Best of all, students are tutored by PTHS teachers. Most days, tutors include a math, a science, and an English teacher.

Your student may attend tutoring for any of the following reasons:

- Needs a quiet place to complete homework
- Needs extra help on current homework
- Needs to study for a quiz or test
- Needs help completing make-up work
- Needs to improve certain skills
- Needs to have a teacher look over his or her work

When is PTHS tutoring available?

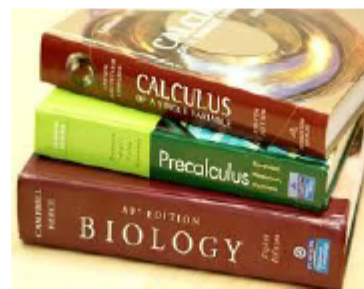

PTHS tutoring is available Monday through Thursday for students. To accommodate all students, tutoring is offered in the morning and after school. The time slots remain the same, but the days vary. Please refer to the schedule below:

Before School Tutoring:

Tuesday: 7:00-7:45 a.m.
Wednesday: 7:00-7:45 a.m.

Tuesday: 3:15-4:15
Wednesday: 3:15-4:15

Students may arrive anytime during the available session and leave when they have completed their objectives.
