

# *Pontiac Township High School District #90*

## *Student Insurance Waiver*

The Board of Education of Pontiac Township High School District #90 has made available an optional student accident insurance program for parents to purchase.

If a parent were to purchase the voluntary student accident insurance coverage, please note that student accident coverage is secondary to parent's health insurance policies. We urge you to read your health insurance policy very carefully. No insurance policy pays everything. Please be sure that you understand your policy and/or the District's policy, should you elect to take it.

Please keep in mind that all medical expenses incurred as a result of athletic injuries and/or school time related accidents are the responsibility of the parents. Pontiac Township High School District #90 will not be liable in the case of an injury, and does not provide insurance for these types of accidents.

---

By signing below, I agree that I have read and understand the voluntary 24 Hour student accident insurance coverage offered through Pontiac Township High School District #90. I also understand that if this coverage is not purchased that we accept full responsibility for medical expenses incurred as a result of my child being injured at school and/or while participating in athletic programs offered by the District.
