Freshmen Learning Community Weekly:

With the semester winding down, don't let your motivation wind down too! Your class grades start fresh next semester, but your first semester grade will be calculated into your GPA (or grade point average). This is an average of all of your semester grades. Right now as freshmen, in December you will have only one semester of grades to average together, but by the end of senior year this will be an average of all of your grades throughout your time at PTHS. A higher GPA can mean more opportunities for scholarships which equals free money for college later on! Take advantage of tutoring, test-retake policies, and other opportunities to show what you know and earn the grade the highest grade possible.

Also, with the end of the semester comes final exams and final projects. Check with your teachers to see what's coming up in each of your classes. Get a jump on these now. Use previous homework assignments and notes to study for final exams. Stay focused, work hard, and finish out this semester strong!
