#### Freshmen Learning Community Weekly:

Start your semester off right by staying on top of due dates and asking for help when you need it! Were you constantly forgetting due dates or losing assignments last semester? Check your calendar on Skyward to see upcoming due dates and other events. The "Sticky Notes" app on your desktop is another great way to add reminders and keep track of homework, or if that doesn't work for you, get an assignment notebook that you can keep with you and add to throughout the day. Make it a habit to update your to-do list at the end of every single class period and to check it every day when you get home from school to stay on top of due dates. Don't forget that tutoring is available on Tuesdays, Wednesdays and Thursdays before school as well as Mondays, Tuesdays, and Wednesdays after school. This is a great chance to get some help getting organized and to check some things off your to-do list!
