### Enter to Learn, Depart to Serve

#### Our Mission

We are committed to the development of our students as adaptive learners, global thinkers, and responsible citizens through collaboration across our school community.

#### Announcements:

- Chess Club meeting Tuesday, March 20<sup>th</sup> @ 3:15 in Room 130
- March 23rd thru March 25th Life Guard Course offered see attached flyer below for more information.
- Tuesday, April 10<sup>th</sup>, Juniors will be taking the SAT test. Taking the SAT is a graduation requirement. Please be aware that all colleges accept either the ACT or SAT for college admissions and placement purposes. **Collegeboard.org** offers comprehensive SAT prep including free practice tests. The Juniors will be dismissed for the day when they complete testing probably around 12:30.
- Summer Civics and Summer Classroom Driver Education applications are available in the PTHS Guidance Office.
- Mark your Calendars! The 6th Annual Run for Respect 5K and 1 mile Fun Run/Walk will be held on Saturday, April 21st at 10:00 AM. More information can be found at [www.runforrespect.weebly.com](http://www.runforrespect.weebly.com). This year's theme is REPECT IS GOLDEN in honor of Special Olympics 50th Anniversary!
- Any student that would like to help out at home baseball games with in-game activities, please contact any of our baseball coaches, or any baseball Indian.
- PTHS Color Guard Clinics will be held March 20<sup>th</sup> – 22<sup>nd</sup> from 3:30-5:00 in the gym. The audition is Tuesday, April 3<sup>rd</sup> at 3:30 in the PTHS Auditorium. Please contact Heather Christenson at 815-844-6113 or at [christensonhm@gmail.com](mailto:christensonhm@gmail.com).
- Prom tickets will go on sale Tuesday, April 3<sup>rd</sup>. Tickets are \$25 until April 30<sup>th</sup>. Tickets will then go to \$30 the week of Prom. You can purchase tickets before or after school in Mr. Fiorini's or Mrs. Erschen's classroom. See attached invitation below.

#### Freshmen Learning Community Weekly:

Have you seen our freshmen Faces in the Crowd? Each department in the Freshmen Learning Community chooses one student each month to be recognized for showing scholarship, service, leadership, or character. Stop by the bulletin board in the FLC to check out who they are this month!

With spring break right around the corner make sure you get all your missing assignments in. Make sure you talk with your teachers and get all missing work before you leave for break.

#### Counselor News:

SAT @ PTHS June 2, 2018

\*other national dates are available at other testing locations

#### College Visits during the lunch period:

- Lincoln College – March 20

The College of Engineering at the University of Illinois at Urbana-Champaign (UIUC) is excited to announce several opportunities for high school students during the summer!

- Girls' Adventures in Mathematics, Engineering, and Science (GAMES) Camp is an annual week-long camp designed to give academically talented high school *girls* (rising 9<sup>th</sup>-12<sup>th</sup> graders) an opportunity to focus on one of the following engineering disciplines: aerospace, bioengineering, chemical, materials, electrical, mechanical, and computer science. For more information about GAMES Camp, please go to <http://go.illinois.edu/games>. Please feel free to download our [printable flyer](#), and paste in your classroom.
- mid-GLAM (Middle School Girls Learning about Materials) Camp is an annual week-long, **FREE**, day camp for middle school girls (rising 6<sup>th</sup>-8<sup>th</sup> graders) where students will have the opportunity to think like a "material's scientist". They will investigate how materials are put together, how they can be used, and how they can be changed and improved. Campers will have hands-on exposure to the materials that run our society, how to make them, understand their function, and how we can predict the ways they will evolve in the future.
- The Worldwide Youth in Science & Engineering (WYSE) program offers a week-long residential camp for students interested in learning about different engineering disciplines offered at UIUC. The Exploring Your Options Camp invites all rising 11<sup>th</sup>-12<sup>th</sup> graders, while Discover Engineering invites all rising 9<sup>th</sup>-10<sup>th</sup> graders. The WYSE program also offers three specialized tracks: Exploring Mechanical Science & Engineering for rising 11<sup>th</sup>-12<sup>th</sup> graders, Discover Bioengineering for rising 9<sup>th</sup>-10<sup>th</sup> graders, and Exploring Nuclear, Plasma, and Radiological Engineering (NPRE) for rising 11<sup>th</sup>-12<sup>th</sup> graders. For more information about WYSE Camps, please go to <http://go.illinois.edu/wysecamp>. Please feel free to download our [printable flyer](#), and paste in your classroom.
- Illinois Aerospace Institute (IAI) is a one-week residential program for students interested in learning about aerospace engineering and aviation. Among the activities, students will design and build a model boost glider and a model payload rocket. For more information about IAI Camp click [here](#).

Enrollment in the programs are limited to ensure the quality of the academic experience. All camps have a selective admissions process based on academic performance, a written essay and a teacher recommendation. Note that the mid-GLAM Camp **ONLY** requires an essay (no teacher recommendation letter or grades information). Placement in a camp is contingent on when the application is completed, so please have students apply soon to ensure placement in their desired camp. **The application deadline is April 15, 2018, or until camps are full.** With the help of generous corporate sponsors, we also offer scholarships to students who need financial assistance for the tuition payment.

Thank you for your support! Additional information can also be obtained by contacting our office at 217-244-3517 or [srosado2@illinois.edu](mailto:srosado2@illinois.edu).

Sincerely,

Sahid L. Rosado Lausell  
Assistant Director of Outreach

Will Helgren  
GAMES/WYSE Camp Student Coordinator
