Freshmen Learning Community Weekly:

With the last day of school quickly approaching, check with your teachers about end-of-the-year projects and exams. Each class may have different due dates and requirements. Take advantage of any spare work time in class and in Learning Center. Use it to review notes, complete <http://www.pontiac.k12.il.us/?p=20336> study guides, or get a few to-do list items checked off on any projects or papers you've been assigned.

Not sure how to prioritize? Stop by tutoring sometime (before school on Tues., Wed., Thurs., or after school on Mon., Tues., and Wed.) and ask a teacher for help.
