- **Cultural Opportunity:**
If you are looking for a unique way to learn about the world, why not welcome an exchange student into your home? Your family can discover new customs & cultures and forge a lifelong bond with a young person from another country. Families have an active role in choosing their new family member. Exchange students come with spending money, insurance, and school fees. Families are only required to provide room, board, and a family like atmosphere. Students come from over 15 countries with high English and academic skills. Mentoring and community service opportunities are readily available for the student as well as families! If you are willing to open your home and hearts or you have additional questions, please contact Jayme Corcoran, International Exchange Coordinator at: Cell: (309) 830-9594. Freshmen Learning Community Weekly:

Here at PTHS, we are a family! We hope your school year is off to a great start, but if you or anyone you know is struggling with bullying, abuse, or other issues, talk to a teacher, staff member, or another adult that you trust. If you don't feel comfortable talking in person, go to our PTHS website and find the "All People" tab. Scroll down to "Students" and click on the Because You Care form. Once you submit this form, our administration can begin working on a solution for you or your friend.
