#### Freshmen Learning Community Weekly:

Welcome back! This is a new year and with that comes a fresh start. Remember to check your schedule because your classes, teachers, and lunch period may have changed. This may mean finding a new route between each class. Do you have a long walk between some classes? Plan ahead and decide when you will need to carry books for 2 or 3 classes together to eliminate a locker stop. Also, try re-organizing your locker to help save time between classes and at the end of the day. Some ideas are:

- Everything starts in top part and then if you have homework, those materials go in the bottom part after each class
- Morning class materials go in top part and afternoon class materials stay in the bottom part.
- Odd period class materials go in the top and even period materials stay in the bottom
- Ask an upperclassman to see what works for them.
